

Experience the Future of MRI – Today

at Proliance Orthopaedics & Sports Medicine

IT'S FAST.

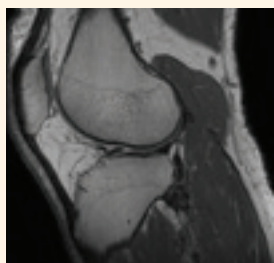

Quicker, targeted exams
Spend less time in the tube.

IT'S COMFORTABLE.

Comfortable memory foam.
Alleviate pressure points.

IT'S CLEAR.

The most advanced image quality.
Quality images for your provider.

At Proliance Orthopaedics & Sports Medicine we are steadfastly dedicated to delivering exceptional care. Our patients are our top priority and accordingly, we recently made an important investment to ensure we have the best technology to provide the best care.

Our new MRI system offers multiple benefits to our patients, but perhaps the most important is the dramatically improved image quality. Better images lead to better diagnoses, and ultimately, better care.

Schedule your MRI at Proliance Orthopaedics & Sports Medicine, at our Issaquah location.

PROLIANCE ORTHOPAEDICS & SPORTS MEDICINE

We bring compassion, customer service, and technical expertise together to provide exceptional patient care. With next day appointments available, we're happy to serve the Pacific Northwest with fast, comfortable, and reliable MRI scanning capabilities.
